

LET'S CREATE TOGETHER

#FILMPHILIPPINES

FILM LOCATION ENGAGEMENT DESK (FLEX)

An automatic one-stop-shop assistance support for all governmental process

What kind of projects qualify?

All audiovisual content (except live events and news coverage) in any genre and format from any origin country.

10 FLEX services

Assistance with finding your local partner, location scouting, sourcing of skilled cast & crew, sourcing of equipment and technical facilities, securing Visas and special working permits, obtaining location permits, production logistics, special government production assets, importation and exportation of equipment, and implementing health and safety protocols.

What is required to be able to apply?

A completed FLEX application form and all supporting documents at least 2 months before the start of the production.

Who can apply?

A local or foreign production company organized and registered as a business with a project to produce in the Philippines. If a Filipino company applies, it should be registered with the Film Development Council of the Philippines' National Registry.

When can I apply?

Apply anytime throughout the year if you are in pre-production, production, or post-production stage.

Application process

FILM NOW!

There can never be a better time than now.
Find out why it's more fun to film in the Philippines!
